MEDIA RELEASE

FINAL DETERMINATION OF THE ADMINISTRATIVE REVIEW OF ANTI-DUMPING ON IMPORTS OF CELLULOSE FIBRE REINFORCED CEMENT FLAT AND PATTERN SHEETS ORIGINATING OR EXPORTED FROM SHERA PUBLIC COMPANY LIMITED, THE KINGDOM OF THAILAND

On 16 June 2023, the Government of Malaysia (GOM) initiated an administrative review on the imposition of anti-dumping duty on imports of cellulose fibre reinforced cement flat and pattern sheets (subject merchandise) originating or exported from Shera Public Company Limited (the Applicant) from the Kingdom of Thailand (Thailand), whereby the affirmative anti-dumping duties for the subject merchandise was imposed from 24 September 2019 until 23 September 2024, with a range between NIL and 31.14%. The request was made based on the grounds that the dumping margin of the subject merchandise originating or exported by the Applicant has changed substantially pursuant to paragraph 28(1)(a) of the Countervailing and Anti-Dumping Duties Act 1993 ("the Act") and subregulation 34(1) of the Countervailing and Anti-Dumping Duties Regulations 1994.

In accordance with subsection 28(4) of the Act, GOM has completed the administrative review and made the final determination to terminate the administrative review investigation on the subject merchandise for reasons that the information provided in the administrative review is inaccurate to prove that the dumping margin has changed substantially.

Therefore, the existing anti-dumping duties imposed on subject merchandise originating or exported by the Applicant will remain unchanged and in force until the expiry of the measure on 23 September 2024 as per the Customs (Anti-Dumping Duties) (Administrative Review) (No. 2) Order 2019 [*P.U. (A) 263/2019*].

Interested parties such as local producers, importers, foreign producers/exporters and associations related to the administrative review can obtain a copy of the non-confidential version of the Final Determination report by writing to the Ministry of Investment, Trade and Industry as follows:
