Dear Valued Customers,

ISSUANCE OF PREFERENTIAL CERTIFICATE OF ORIGIN (PCO) STATUS UNDER MTFTA

The Free Trade Agreement between the Government of Malaysia and the Government of the Republic of Türkiye (MTFTA) which came into force on 1 August 2015 has enabled Malaysian exporters to gain preferential market access into Türkiye.

Since the entry into force of the agreement, request for preferential treatment under MTFTA to the customs authority of the Republic of Türkiye shall be accompanied by Preferential Certificate of Origin (PCO) issued by the Ministry of Investment, Trade and Industry (MITI) in accordance with **Article 4.16 [Procedure for the Issuance of Certificate of Origin]**.

Traders/exporters who wish to benefit from MTFTA, may submit their Cost Analysis (CA) and Certificate of Origin (CO) applications through the ePCO system.

For additional information, Malaysia has yet to authorize any exporter under the MTFTA scheme as “Approved Exporter” which is stipulated under **Article 4.22 [Approved Exporter]** and Article **4.21 (a) [Conditions for Invoice Declaration]** of the agreement.
