## EXPLANATORY NOTES

1. Credit and debit entries for goods and services in the balance of payments accounts are equivalent to flows of exports and imports of goods and services.
2. Transportation covers all transportation services that are performed by residents of one economy for those of another and that involve the carriage of passengers, the movement of goods (freight), rentals (charters) of carriers with crew, and related supporting and auxiliary services.
3. Travel covers primarily the goods and services acquired from an economy by travellers during visits of less than one year in that economy. The goods and services are purchased by, or on behalf of, the traveller or provided, without a quid pro quo (that is, are provided as gift), for the traveller to use or give away. Travel includes expenditure on goods, accommodation and food and beverage serving services and also all other travel expenditure. Excluded is the international carriage of travellers, which is covered under transportation.
4. Debt service ratio is the amount of principal repayments (excluding repayments) and interest payments on external loans expressed as a percentage of the total exports of goods and services.

Number of Registered Business (Q1 2019 to Q2 2023)

- Notes:
1. Business includes every form of trade, commerce, craftsmanship, calling, profession or other activity carried on for the purpose of gain, but does not include any office or employment or any charitable undertaking or any occupation specified in the Schedule of the Registration of Businesses Act 1956 (ROBA 1956) & ROBA Rules 1957.
  2. Limited Liability Partnership (LLP) is an alternative business vehicle to carry out business which combines the characteristics of a private company and a conventional partnership. LLP provides limited liability status to its partners and offers the flexibility of internal arrangement through an agreement between the partners.
